No data

Pasted from <<http://www.state.tn.us/labor-wfd/wages/2008/TOC000.htm>>

This information came from the Tennessee State website. This information uses the federal Standard Occupational Classification code for Interpreters and Translators (Translate or interpret written, oral, or sign language text into another language for others.) I'm not sure how the data are collected on wages, but it does include spoken language interpreters and translators as well as sign language interpreters.
